

It's a Mini Adventure!

This is an exhilarating, exciting and enjoyable team day out cruising through the beautiful British countryside in a Mini Cooper. Now how cool is that!

Teams (one car = one team) will compete for the prestigious 'Mini Cup' and amass points by picking up clues, solving riddles, completing tasks and answering questions en route. Everything is 'Mini' related and is thus designed in an original, unconventional, creative and stylish way. Much like Poisson Rouge really....

We meet at a predetermined location. This can be at your offices, a railway station, a hotel—it's totally up to you. Here the teams are divided, the kit bags handed out the rules explained. We then hand over the keys and the teams set off on their Mini Adventure.

We meet up for a pub lunch where the teams swap war stories and plan the next stages of their routes. Navigation and planning are key to success as there is no way that any of the teams can complete the whole Challenge.

Teams have to be creative, cunning, secretive and quick witted if they are to win the Cup—the day finishes at a pre-arranged location where the scores are marked and prizes awarded.

If you have never had the pleasure of driving a Mini Cooper you are in for a real treat. Voted by Autocar readers as 'Car of the Century' the mini has

always proved to be a 'veritable bundle of joy'. What car could better suit the spirit of a team adventure than the Mini!
