

WHAT

To survive you must get the generator working so you can radio in for heli-Vac. You have just 1 hour before the storm and night closes in. Everything you need to make the 'gennie' work is in the hut. You must escape and save your team

Budget

- £20 / person
- £250 Set Up Fee
- Min Fee - £500
- Excl VAT.

HOW

Following a tense briefing to all explorers (5-8 persons per team) It's a race against time. Teams must solve clues scattered throughout the hut. Augmented reality, code decyphers and smart tasks all required to succeed. Leadership, teamwork, Time Management and Critical Thinking are all essential
